

How to use Account Manager

The application is found on the Aurora4Biz webpage: <http://aurora4biz.org>

Choose My Account, and then click on 'Account Manager'.

Welcome to the City of Aurora's 4 Business site

Aurora 4 Business is your access to the City of Aurora's commercial business online services. It features a unified payment service, so you will be able to use Credit Cards or ACH (online Checks) to pay for your permits.

The site currently offers online building permits and arborist licenses. More services will be added to Aurora4Biz.org as they become available.

The main page has links along the top.

Welcome to the Account Management Page

Use this site to create a new account or to manage your existing account. Accounts are necessary to engage in many of the online tools we make available to the public such as Development Application Review Online, Civil Plan Review Online, and Building Plan Review Online.

Please pick a secure password - one that contains a mix of upper and lowercase letters, and several numbers.

Failure to abide by the stipulations of this account can result in deactivation of the account.

The links are:

- 1) Home – returns you to this screen.
- 2) Aurora4Biz Home – returns you to <http://aurora4biz.org> page.
- 3) Create New Account – allows new users to build an account. Your email address becomes your login name. If the email address is already in use, you will need to use a different email address, or try a 'Forgot Password' in order to use that account.
- 4) Forgot Password – sends an email to the email address for that account and lets the recipient initiate a password reset.
- 5) Login – Allows you to login with your email address and password.

CREATING A NEW ACCOUNT

If you click 'Create New Account' you will see this screen. Fill it out similar to the sample shown.

Note that you will enter your email two times and your password two times. If you do not enter them exactly the same, the system will alert you to a mismatch and not allow your account to be created.

If you are a business, enter your business name. Homeowners do not need to fill in a business name.

Account Creation

An email has been sent to joe@test.com with instructions how to verify your account.

City of Aurora
15151 E Alameda Pkwy

An email similar to the one below will be sent to your email address. Make sure your spam filter or junk mail filter will not intercept mail from OnlineServices@auroragov.org.

The email from the City of Aurora will have a link. Click on it **just once** and it will activate your account.

The next screen will notify you that your account has been verified. At this point, you can click the 'Aurora4Biz Home' link to begin using our online applications.

FORGOT PASSWORD

If you should forget your password, you can reset it yourself by clicking this link and entering your email address (the one you originally built your account with).

The screenshot shows the 'City of Aurora Account Management System' interface. At the top left is the City of Aurora logo. The main header reads 'City of Aurora Account Management System'. Below the header is a navigation bar with links: 'Home | Aurora4Biz Home' on the left and 'Create New Account | Forgot Password | Login' on the right. The main content area has a blue header that says 'Forgot Your Password?'. Below this is a form with the label 'Email Address:' followed by a text input field containing 'joe@test.com'. To the right of the input field is a 'Send' button. At the bottom right of the page, the address 'City of Aurora 15151 E Alameda Pkwy' is displayed.

Click the 'Send' button.

An email will be sent to that email address. Make sure your spam filter or junk mail filter will not intercept mail from OnlineServices@auroragov.org.

The email from the City of Aurora will have a link. Click on it **just once** and it will initiate a password reset screen. A sample of the email is shown below.

There are 3 sections.

The top section allows you to change your password or email address. Once done, click the circled 'Save' button.

The middle section allows you to subscribe to services. There is only one available at the time of this document creation. It is called Building Status. Customers who sign up for this receive email updates on their project during the Building Department plan review and permitting stages. Once done, click the circled 'Save' button.

The bottom section is where changes to contact information can be maintained. Once done, click the circled 'Save' button.

If you make any changes on this page you must click the 'Save' button. Else, your changes will not be saved.

Click the 'Logoff' button when you are done managing your account.

POSSIBLE ERROR MESSAGES AND WHAT THEY MEAN

The message below happens when you try to login but you have not clicked the link in the verification email sent to your email address. Check your spam filter.

The screenshot displays the City of Aurora Account Management System interface. At the top left is the City of Aurora logo. The header includes the text "City of Aurora Account Management System". Below the header are navigation links: "Home | Aurora4Biz Home" and "Create New Account | Forgot Password | Login". A dark blue "Log In" button is visible. The login form contains two input fields: "Email Address:" with the value "joe@test.com" and "Password:". Below the password field, a red error message reads "You account has not been verified!". A "Log In" button is positioned to the right of the error message. At the bottom right, the address "City of Aurora 15151 E Alameda Pkwy" is displayed.

This message happens when you are creating a new account for yourself but your email address is already being used. Perhaps you already built an account and have forgotten that you did so? Click the 'Forgot Password' link instead of creating a new account.
